Matthias Henze
Co-Founder & CEO at Jimdo
8. Oktober 2020, Matthias Henze war Marc Palms Kunde/in.

Marc is an outstanding engineer and consultant with a strong business mindset, exceptional work ethics, and an extensive background. We could throw him at any problem. He always delivers. He understands your vision, commits fully, and picks sustainable trade-offs wisely. He stepped in as a lead during the relaunch of jimdo.com, integrated a new affiliation system, and shaped how we run experiments at Jimdo. He is the ideal fit when you need to deliver something very challenging on a tight deadline. **Weniger anzeigen**
